

CAPABILITY STATEMENT

INTRODUCTION

It is unacceptable that the words “homelessness” and “Veteran” are still used together in our society. We must work together to change this narrative and fight for them. Honor To Our Heroes intent is to provide adequate housing and support programs for our Veterans. Elvin (Coach) McFarlin is a service-disabled Veteran with a passion for Veterans and the struggles that follow them after their service to their country. Together, we can make a difference and honor the service and sacrifices of those who have served our nation.
